# AKT — EARLY IN THE JOURNEY. BUILT ON REAL-WORLD VALUE.

Every major innovation has an early stage.
Bitcoin introduced a new digital-asset concept in 2009.
Today, tokenisation is opening another chapter—
connecting digital infrastructure with
**real-world assets** and **businesses**.

AKT is designed around a fundamentally different proposition: real-world utility, assets and business activity within the Akcel ecosystem.

**BITCOIN IN 2009**

**A NEW DIGITAL-ASSET CONCEPT WAS BORN.**
Early stage. High potential.
New category.

**AKT TODAY**

**A NEW INFRASTRUCTURE FOR REAL-WORLD VALUE IS EMERGING.**
Backed by assets. Driven by businesses.
Built for real utility.

***AKT IS NOT TRYING TO BE ANOTHER BITCOIN.***

Bitcoin pioneered digital scarcity.
AKT aims to connect digital participation with **real-world assets**, **businesses** and **utility**.

## 1. 100% ASSET & BUSINESS-MODEL BACKED

AKT is designed to be supported by eligible Real-World Assets (RWA) and Real-World Businesses (RWB) within the Akcel ecosystem.

## 2. 30 YEARS OF AKCEL GROUP LEGACY

Akcel brings decades of business experience and an established international vision to its next generation of digital infrastructure.

## 3. $5 BILLION GROUP NET-VALUE POSITION

Akcel Group represents an ecosystem with a stated net value of approximately US$5 billion, subject to independent valuation and verification.

## 4. DIVERSIFIED GLOBAL BUSINESS ECOSYSTEM

The Akcel ecosystem extends across multiple sectors including Healthcare, Education, Information Technology, Sports, Sports Leagues, Real Estate Development and other business verticals.

## 5. FROM REAL ASSETS TO DIGITAL PARTICIPATION

Through RWA and RWB infrastructure, Akcel aims to connect tangible economic activity with transparent digital participation.
